

# Global PTO and Leave Policy

Policy No. HR-POL-101 · Version 4.2 · Effective January 1, 2026 · Owner: Global Total Rewards

---

## 1. Purpose and Scope

---

This policy explains how Cymbal Corp employees earn and use paid time off (PTO) and the other types of paid leave the company provides. It applies to all regular full-time employees worldwide. Part-time employees accrue PTO pro rata based on scheduled hours. Where local law provides a more generous entitlement, local law prevails and the local addendum applies.

## 2. Paid Time Off (PTO) Accrual

---

PTO is a single bank of paid days that covers vacation, personal time, and short illnesses. PTO accrues each pay period from the employee's first day of employment. Annual accrual depends on continuous years of service:

| Years of Service       | Annual PTO Accrual | Accrual per Semi-Monthly Pay Period | Maximum Bank Balance |
|------------------------|--------------------|-------------------------------------|----------------------|
| Less than 3 years      | 15 days            | 0.625 days                          | 22.5 days            |
| 3 to less than 7 years | 20 days            | 0.833 days                          | 30 days              |
| 7 years or more        | 25 days            | 1.042 days                          | 37.5 days            |

Once the bank reaches its maximum balance, accrual pauses until PTO is used. Employees should request PTO in Workday at least two weeks in advance for absences of three or more consecutive days. Managers may decline requests during published blackout periods (for example, fiscal quarter close for Finance).

## 3. Carryover and Payout

---

Up to **5 days** of unused PTO may be carried over into the next calendar year. Carried-over days must be used by **March 31** or they are forfeited. Unused accrued PTO is paid out at termination only where required by local law.

## 4. Company Holidays

---

Cymbal Corp observes 11 paid company holidays per year in the United States, published each December in the Holiday Calendar. Other countries follow the local holiday calendar. Company holidays do not reduce the PTO bank.

## 5. Parental Leave

---

Cymbal Corp supports employees who are welcoming a child through birth, adoption, or foster placement. Parental leave is separate from, and in addition to, the PTO bank.

| Caregiver Type      | Paid Leave      | Pay Level        | Must Be Taken Within            |
|---------------------|-----------------|------------------|---------------------------------|
| Primary caregiver   | <b>16 weeks</b> | 100% of base pay | 12 months of birth or placement |
| Secondary caregiver | 6 weeks         | 100% of base pay | 12 months of birth or placement |

The **primary caregiver** is the parent with primary responsibility for the child's care during the leave period, regardless of gender. The **secondary caregiver** is the other parent or partner. Leave may be taken in one continuous block or in up to two blocks of at least two weeks each. Birthing parents may also be eligible for short-term disability benefits, which run concurrently with parental leave. Employees become eligible after 90 days of service.

To request parental leave, submit a Leave of Absence case in Workday at least 30 days before the expected start date, or as soon as practicable for unplanned events.

## 6. Bereavement Leave

---

Employees receive up to **5 paid days** following the death of an immediate family member (spouse or partner, child, parent, sibling, grandparent, grandchild, or the same relation by marriage). Up to **2 paid days** are provided for the death of another relative or close friend. Bereavement days do not need to be consecutive but must be taken within 60 days of the loss.

## 7. Other Paid Leave

---

- **Jury duty:** Full base pay for up to 10 days per calendar year.
- **Volunteer time off:** 2 paid days per year for approved charitable activities.
- **Sabbatical:** 4 weeks of paid leave after 10 years of continuous service, to be scheduled with manager approval.
